MODERATOR'S RECOMMENDATIONS

1. That all people exercise more faith in Jesus Christ, and unceasingly strive to practice His teachings as found in the New Testament.

2. That the church will ever encourage people everywhere to be law-abiding, good citizens, honest, trustworthy, truthful and industrious.

3. That these days of prosperity will not last always, I recommend that the Church will teach people to be more economical, spend money wisely, looking forward to be where they are not, homeowners.

4. The fact that the cost of living is higher in the advance of prices and that church officials are touched by the higher prices of commodities, the church therefore will do well to increase its giving money to its pastor, the poor, Missions and Christian Education.

5. That each pastor in the confines of this Association will ever see to it that the "Sovereignty" of the church is upheld and earnestly watch so that no external force by State Body or National may enter unlawfully, to disrupt its program and divert its interests and means.

A. That the "Mission Circle," the lawful and Baptist Directory, recognized name now exists in most of our churches of this Body. I do earnestly urge each pastor and church official to work with that branch of the church, especially during these times of transition and new development; and see that, if you please, first, that you have a Mission Circle in your church and other branches that belong there ,too. Secondly, that the Mission Circle represents into the Woman's Auxiliary of this Association; thus making a strong Department of the Woman's Auxiliary, ever cooperating and working with the brethren as hitherto for many years.

6. That the Woman's Auxiliary of this Association be advised and encouraged to represent into the Woman's Home and Foreign Mission Convention of North Carolina, using the procedure as the brethren do.

7. That pastors and all officials of the church attend the Institue held each year at Shaw, to more fully acquaint ourselves with the Bible, the doctrine, ancient and modern practices of the Baptist and other churches.

A. That this Body support the said Institute held in the Spring at Shaw, financially as much as it is reasonable to do.

8. To those churches that are ready to pay for service rendered by the pastor—two Sundays per month, and want to have them, I recommend the start, and full support in every way by all church members the two regular Sunday Services per month, and every Sunday if possible.

9. That we as a Body increase our giving money to the support of Shaw, our great Baptist College, especially placing in the Student Loan Fund money for worthy young men of our churches preparing for the ministry.

10. The Home and Foreign Fields of Missions need added money. I therefore urge all church members to give more money than a penny per Sunday for Missions and Christian Education.

11. That the Standard of one dollar per member of each Baptist Church be our financial goal for the next fiscal year of this Association for Missions and Christian Education.

12. That this Body will support as far as our strength will allow the program of the State Baptist Convention of North Carolina, and further encourage, if may the able efforts of Rev. Thomas A. Kilgore, the Executive Secretary.

13. We urge our churches to buy literature sold by the Book Store in the Baptist Headquarters, Raleigh.

A. We further urge that all people subscribe for, pay, and read the "Baptist Informer" regularly.

14. That the Association meet in a one-day Extra Session in some church to which we may be invited to assemble, some time in the early spring of 1947. The details to be left to the Executive Board.

15. That the pastors and churches in general will ever welcome home the returning Servicemen from the Army, and help them in every way possible to become Christian soldiers. Help them get jobs with equal pay for the same work done by anybody.

16. Let us urge church membebrs everywhere—first to stop using strong drink, stop attending games, playing ball and going to movie picture shows on the Sabbath Day.

17. That a joint committee on officers and finance be appointed and function, beginning today at this session, thus carrying ou the theme of this program.

PROCEEDINGS

The Wednesday morning session opened with prayer service conducted by Revs. C. F. Pope and T. B. Smith, with the former discussing a phase of the Associational Theme—"United In Kingdom Building for the Salvation of Souls," based upon Acts I.

Following some impressive remarks of welcome by the pastor, Rev. W. L. Wilson, and response by Bro. W. H. Thomas, many praiseworthy expressions were given from messengers to the association.

"United In Kingdom Building Through District Organizations," discussed as follows:

1. Through the Sunday School Convention (Wake), Mr. A. C. Parrish. With cooperation of pastor, provision of study courses and trained teachers were the basis of Mr. Parrish's message for Kingdom Building.

2. Wake County B. T. U. Convention, Rev. Otis E. Dunn. The B. T. U. is the agency for training all the church members in their duties, knowledge and the meaning of church membership.

The Introductory Sermon was preached by Rev. Avery Hor-

ton. Subject: "Our Unfinished Task," text: John 4:17. Rev. Horton admonished the congregation to be sincere and earnest builders on the task that Christ has left in our care (1) Preach against sin, (2) Support God's stewardship program, (3) Support our Christian school—Shaw University.

After a spiritual selection was sung, an offering was raised, followed with the presentation of visitors by Rev. H. O. Eaton.

Adjournment.

The Wednesday afternoon session was led by Revs. T. J. Foster, H. B. Floyd, and followed with an address "The Layman's Place In Kingdom Building," by Prof. C. W. Foster, Wilson, N. C. He pointed out (1) A layman must be a Christian, (2) bring others to the Kingdom, (3) Infuence others of the community.

Rev. H. D. Eaton, Vice-Moderator, then presented Rev. Geo. S. Stokes, Moderator, to give his annual message.

The address was filled with appreciation for the work that the pastors and churches are doing, with inspiring, practical and Christian truths to build a better world. (See Moderator's recommendations). After which, a Committee on Moderator's Address was appointed.

"United In Kingdom Building" was discussed as follows: The Woman's Auxiliary, Mrs. B. E. Barrett; The Woman's Missionary Union, Mrs. Ellen T. Powell; Wake County Missionary Union, Bro. O. P. Dunn; Ministers' and Deacons' Union, Rev. A. A. Morrisey. All these organizations showed improvement spiritually and financially and more determined spirit to unite in Kingdom Building.

Rev. Thomas A. Kilgore, Executive Secretary for Baptists of North Carolina gave a brief report of the Association's contribution to the unified program with the total amount $7728.34.

After this report, Bro. C. L. Laws, terasurer, made his report, attested by Rev. A. A. Anderson, auditor. Adopted. The report of Committee on Officers was then made. Adopted. (See report).

Adjournment.

In the Wednesday evening session, 8:00 P. M., with the Woman's Auxiliary in charge, a most enjoyable program was presented by the local Mission Circle, followed with a sermon.

Adjournment.

Thursday, 10:00 A. M. — The praise service was led by Bros. Albritton and Pulley, and followed by a discussion "United In Kingdom Building Through the Relationship of Church Officials," by Dr. O. S. Bulock. Dr. Bullock stated "A God-called preacher has something that a school cannot give but he needs training just like the doctor or teacher. The minister is the administrator of the church. If the deacons and pastor can't work together the church is a failure. The deacon's place is not to dictate to the preacher. Every officer is elected by the church. If the church has the Holy Ghost it will select officers of the same."

Rev. G. E. Cheek represented Shaw in the absence of Dr. R. P. Daniel at which time he spoke on "Constructive Cooperation, An Irresistible Weapon." Rev. Cheek spoke briefly and pointedly and he very well represented Shaw University.

Rev. J. W. White, director of B. T. U. Training of the General Baptist Convention next addressed the association. His subject was two-fold: (1) What about your B. T. U.? (2) Have You Got Good Religion?

Next, Rev. V. T. Williams, wife and son brought greetings to the body from Baltimore, Md.

Adjournment.

The Thursday afternoon praise service was led by Rev. McKeiver, after which Prof. Garrett Laws, Garner, N. C., addressed the group on "The Layman's Place in United Kingdom Building," and he spoke informingly and pointedly.

Following the address were various Committee reports. (See all committee reports).

Benediction.

REPORT ON MODERATOR'S ADDRESS

REPORT OF COMMITTEE ON RESOLUTIONS

We, your committee on Resolutions, submit the following report:

1. That all of the churches in the Associational bounds emphasize more forcefully the work of Evangelism.

2. That we encourage the teaching of Religious Education in the churches of the Wake Association and the County Convention as taught at Shaw University and other Christian Schools.

3. That the Association continue to encourage the support of the Expansion Program of Shaw University.

4. That the Association encourage and give moral support to the organizations that are endeavoring to bring about justice and fair treatment to minority groups.

5. That we extend to the pastor, deacons, and members of this church a most hearty vote of thanks for their generous hospitality in entertaining the Association.

6. That the churches in this Association encourage the respective families to maintain daily Eible reading and prayer—to the end that home-life of the constituencies of the Wake Association may become more Christ-like.

REPORT OF COMMITTEE ON EDUCATION

We, your Committee on Education, wish to submit the following report:

Whereas, the opportunities and demands for obtaining an education are so great we make this report calling attention to parents and leaders of the church to use their influence to further the training program of the church and the public school in every way.

1. Urging our parents to send their children regularly to school during the entire term.

2. Since our young people stand in so great need of religious instruction we urge that our teachers be imbued with the principles of Christ and instruct their pupils with a knowledge of God's word.

3. The leaders of the Church should take a stand against the

Ku Klux Klan and urge the State to do all in its power to lessen its influence in communities where it is in operation.

4. That we urge each church to support the Educational Enlargement Campaign of Shaw University.

5. Encourage our children to do their college work at Shaw.
